Chapter 6
Pork Processing Day

Hey, Mom.
Where are we headed?
To a farming village nearby.
We're going to borrow a shed.
There's no shed in town to smoke meat, right?
Smoke meat?
Oh yeah, we bought a bunch of meat at the marketplace last time.
What are you talking about? That's different.
And we prepared them by boiling and pickling them...
Today's pork processing day.
Eh?

ガタタ
...P-
P-
P-
P-
PORK PROCESSING DAY?! WHAT'S THAT?!
Be careful!
It's the day we take the pig we'll buy in the farming village,
Cut it apart, pickle or smoke the meat, and make things like potted meat and sausages.

...If possible, I want to get a fever this year, too...
Ahh, that's right.
...
Mom, Main had a fever and was passed out on the cart.

THERE'S A DAY FOR THAT?!
You went last year, too...

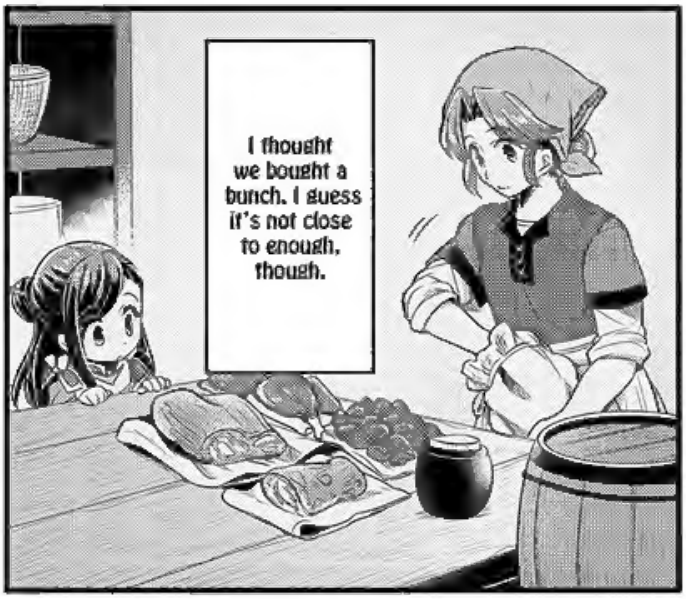
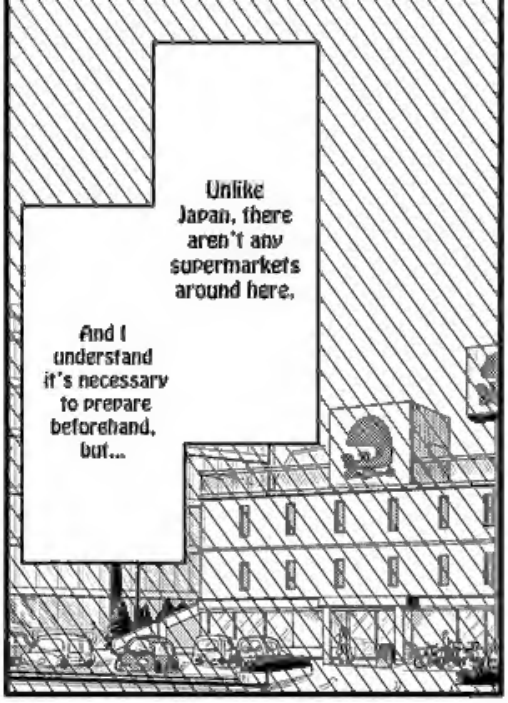
Even with everyone processing meat, we still need to buy more.

There's no way that'll be enough, now will it?

But we bought meat last time...



I thought we bought a bunch. I guess it's not close to enough, though.



Unlike Japan, there aren't any supermarkets around here.
And I understand it's necessary to prepare beforehand, but...

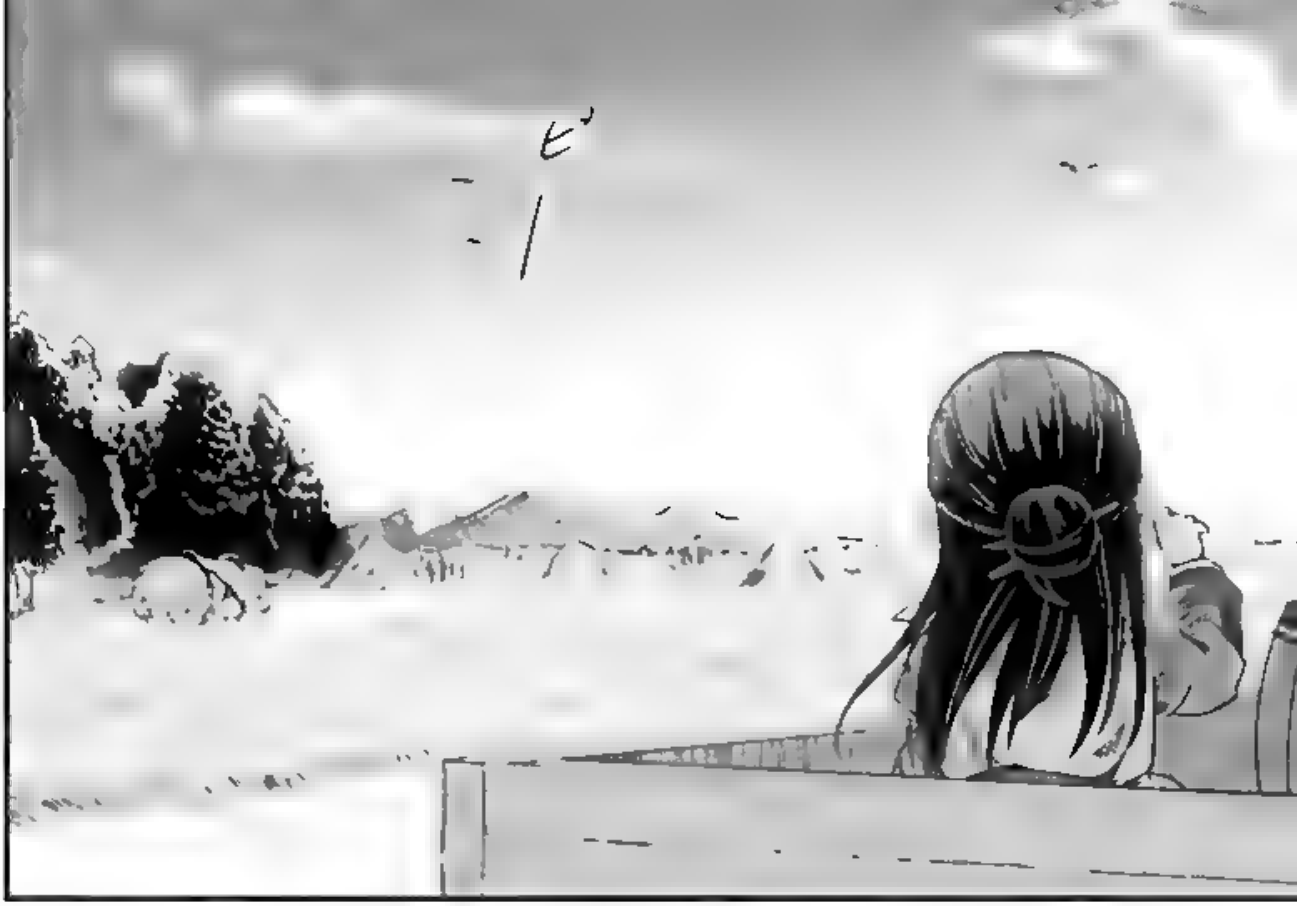
Main.
And considering the firewood from before, is the winter here so bad that you can't even set foot outside?

Hehe
It's kind of like a mini festival with everyone in the neighborhood working together.

While you're helping, you can taste samples, and we'll have freshly made sausages for dinner...
There's a lot to look forward to.

...Ahh...
Neighbors, huh...

ガラ
ガラ
...I don't want to go.
What are you saying?
There are a lot of hazy memories from Maïn...
So there will probably be a lot of people I don't know.
Haa...
And to think we're taking a pig apart today, on top of all that...
Now, we're leaving town.
チカ



Hmm~
It's completely different from the town inside the walls!
The air feels so good.

Mahn, you'll bite your tongue if you don't keep your mouth closed.
Eh?!

WAH!
WHOA, WHOA!
There's something called asphalt!

...If it's clear, it's bumpy and rattly.
If it rains, it's messy and sticky. This road's the worst!

OKAY!
TURI, LET'S RUN!

THIS IS BAD. THEY'RE STARTING ALREADY!
EIFA, TURI, HURRY, GO!
OH NO!

Eh?

トテ
Well, guarding the cart is an important job too, right?
Yup, very important.

.....
I got left behind.

Ah,
It's Faye.
Pink hair.
Then, I wonder if Lutz and the others are in that area, too.
...Huh?
Don't tell me.

Ah.
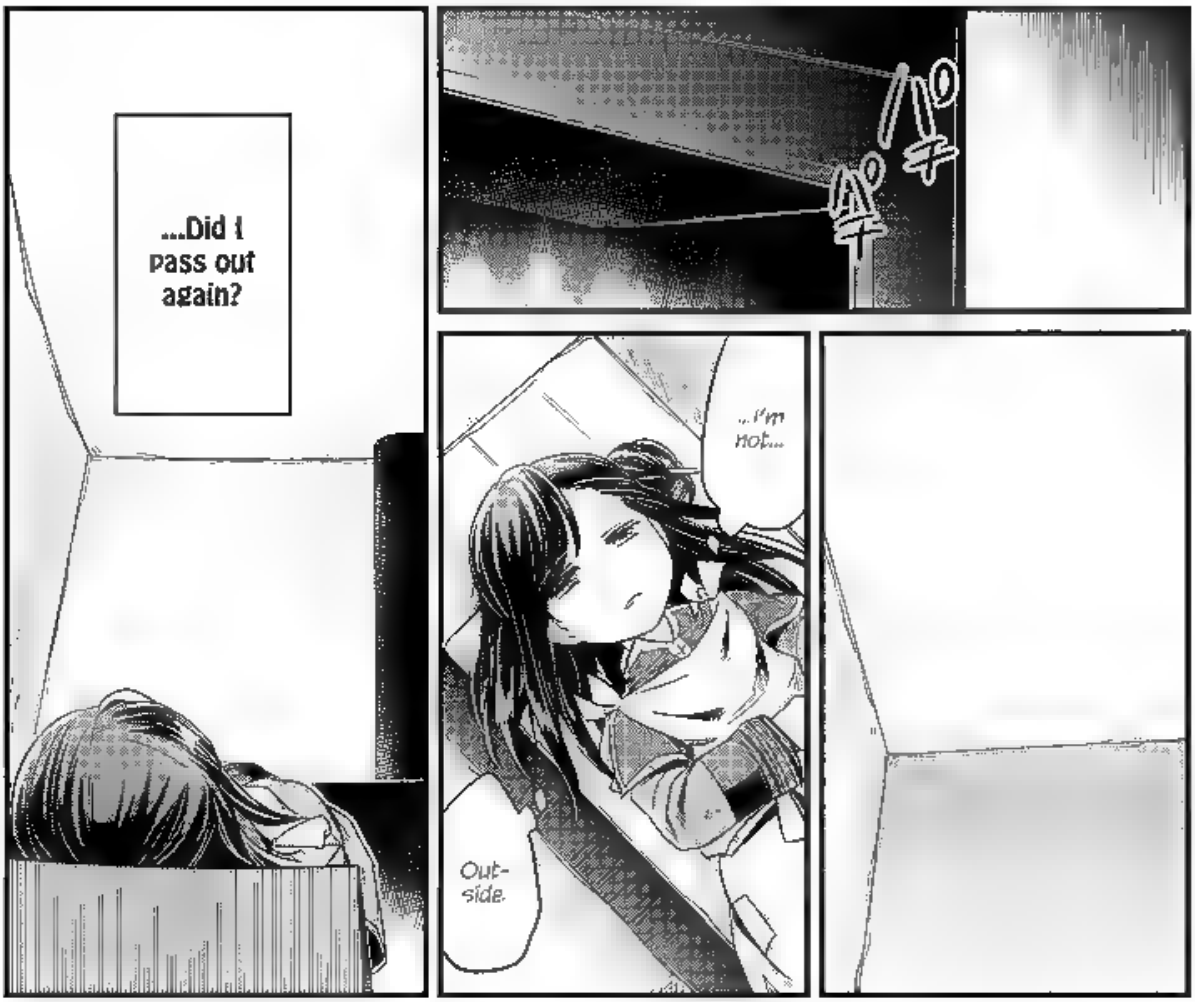
...I,
I...
Can't



...Did I pass out again?
...I'm not...
Out-side.

...Where am I?
WAH!
OUCH...
Nothing's going right today...

Ya.
Otto?
Oh...
Looks like you've come to.
Then maybe this is a waiting room or night duty room at the gate.
Haha.
I wouldn't forget you.

So you remember me!
I'm glad...
Haa-

He said you collapsed in the cart.
Leader brought you here all flushed.
He said he'd come pick you up as soon as they finish their work.
It makes me sick just remembering it... I feel like I'm going to see it in my dream.
Ahh...
What's wrong, Main-chan?
Are you lonely without your Mom or Dad here?
ポーク
...Taking the pig apart then processing it. Sounds like it'll take a while.

Right.
This is perfect.
No, I was wondering what I should do to kill time.
...Oh yeah, he did say you weren't as childish as you look.
?
I wonder if you can kill time with this.

I knew you would definitely pass through the gate today, so I brought it with me.
Thank you very much!
wow, a slate!
Civilized, considerate, and kind...
Hold on a second.
You're so great, Otto!

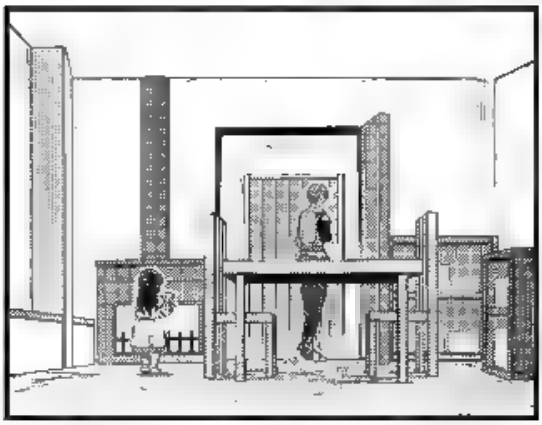
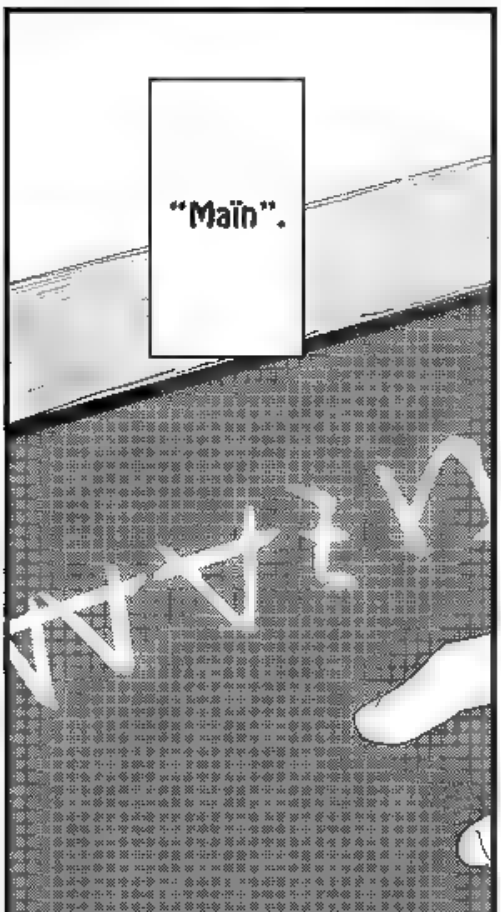
Here, your name.



I have to stand at the gate, so you stay here and practice.



"Maïn".

I'm so nervous.
Wow...

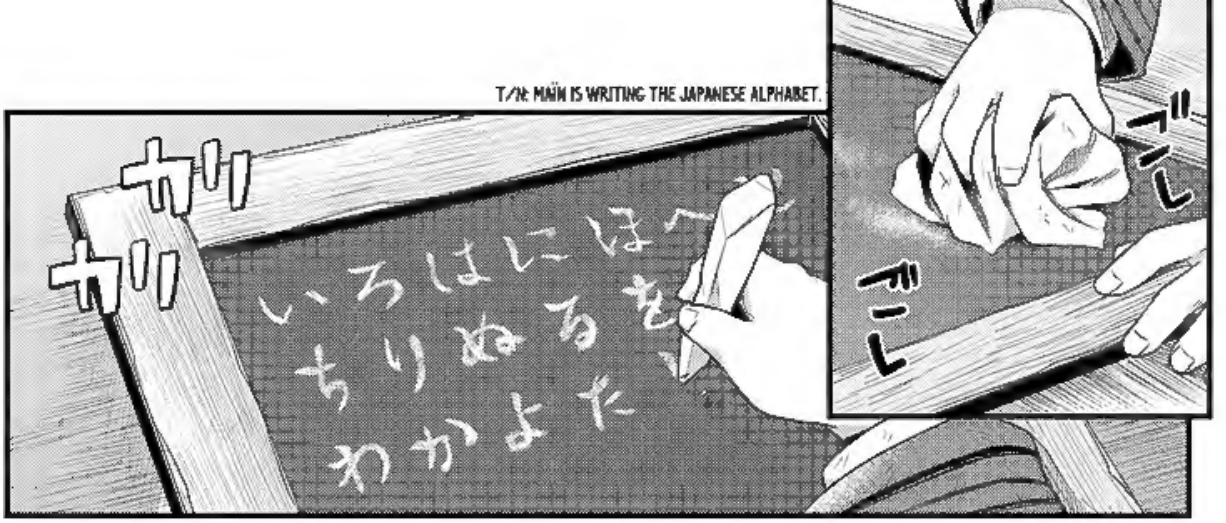
Letters.
Letters...

I didn't think it would make me so happy to be able to read and write letters.
...Ahh, I'm so happy!

T/N: MAÏN IS WRITING THE JAPANESE ALPHABET.



To think I got a fever even though I was next to the fire-place...
Haa...
I brought you some soup.
YOU CAN'T GO OUTSIDE!
...Alright.
YOUR FEVER HASN'T GONE DOWN YET, SO STAY IN BED!
MAIN!!
...Well, you didn't promise,
But it's a promise, okay?
I'm not even done with winter preparations.
You should be.
Sorry, Turi.
I'VE NEVER PROMISED THAT BEFORE!
Ehh? Promise me you won't say that anymore...
The soup only has a slightly salty taste,
But the weiners really are good.
